

The Bestseller Palette

Data-Backed Trends in Book Cover Color

Maria Carda & Andrea Rivera

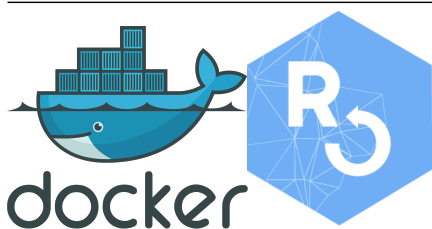

Book cover colors

- Crucial role in purchasing/reading decisions.
- Objective of the study:
 - Analyze the color palettes of book covers across different genres
 - Bestsellers vs most popular books

How?

Tools

Functions

- `scrap_books`: scrap books from Casa del Libro
- `extract_colors`: pull out color form images url
- `hex_to_rgb`: convert hex colors to RGB for analysis
- `color clustering`: easier identification of colors

Results

```
library(readxl)
read_xlsx("best_books_expanded.xlsx")
```

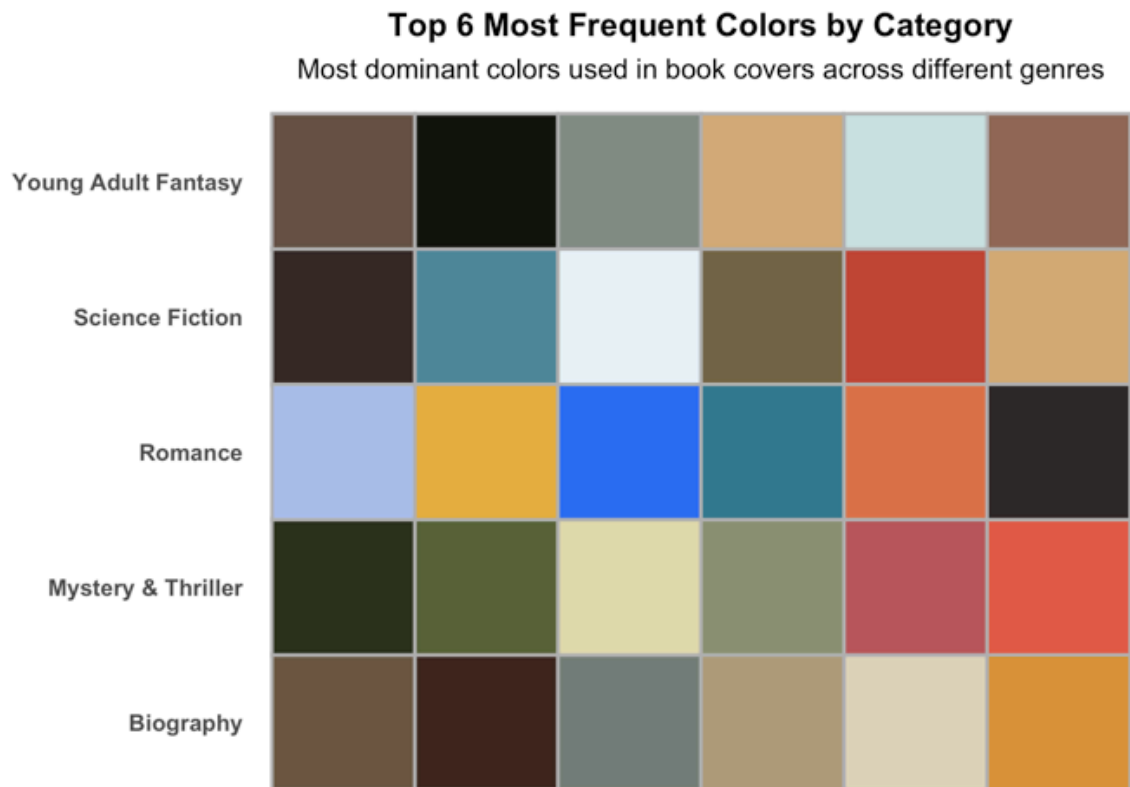

A tibble: 6,894 x 6

Shiny app

[App](#)

Challenges

- Selection of unique name categories in Casa del Libro
- Same categories in both webpages
- Docker integration/port selection

- Last Firefox version in Selenium
- Color representation
- Shiny integration & publication

Thank you
